The application "My Degree Programme" provides you with an overview of your studies and allows you to register for courses or examinations.

1. Click on the application "My Degree Programme" (see fig. 1) to get an overview of your study progress and your degree program.

2. The structure (see fig. 2 A) shows the individual modules of your subject as they are defined in your examination regulations. You can expand or reduce the study structure by clicking on the arrow symbols.

If you are studying a multiple degree programme, you will find your entire degree programme in the first line on the left and the individual areas of your degree programme in the further lines.

3. Under "My progress of studies" (see fig. 2 B) you can see the sections "My Current Status", "Schedule" and "Activity".

4. "My Current Status" (see fig. 3 A) includes the registration for a semester, your tuition fee status, your already achieved ECTS and the temporary average grade.

5. Under the section "Schedule" (see fig. 3 B) you will find your semester plan, module plan with elements to be completed and exam plan.

6. Under "Activity" (see fig. 3 C) you can see your registrations for current courses, registrations for exams and bookmarked courses.
