	May 10th, 2024	May 21st, 2024	June 1st, 2024
<b>HIS-POS</b>	<b>Preparation of the migration</b> Changes made after this point will <b>no longer be transferred to heiCO</b> ; however, the system remains technically accessible.		
<b>LSF</b>	Remains usable in its current scope		<b>Examination registration, proofs/certificates, and notices now available in heiCO**</b>
	<b>Continued availability of all essential functionalities*:</b> <ul style="list-style-type: none"> <li>Course management: Students of all subjects</li> <li>Exam registration and deregistration, as well as viewing grades: Students whose achievement data has already been migrated.</li> </ul>	<b>„Downtime“: Achievement data migration</b> From this point onward, the heiCO system will <b>no longer</b> be accessible. During this time, the system will be unavailable for use.	<b>"Go-Live": Opening of the heiCO System</b> All functions are <b>fully accessible</b> in heiCO for all departments, and <b>all processes</b> now take place in heiCO.** The <b>view of achievement data</b> will be unlocked starting June 15th. The exact timing may vary from subject to subject.
 <b>Alternative system</b> (read-only access to heiCO functions, incl. course catalog)		<b>Opening of alternative system</b> <b>(Caution: Only accessible within the university network (LAN), via the university's eduroam, or through VPN)</b> Opening of an alternative system with <b>read-only access</b> .	

**\*Not available:**

- From May 9th:** Changes of degree programs and majors

**\*\*Exceptions:**

- Achievement data (grade reports) and transcripts are still accessible and can be issued for students enrolled in old examination regulations through LSF.
- The registration for courses offered by central institutions, which remain in LSF, will continue to be done there.
- Study certificates containing a verification key will initially still be generated in LSF.

# Usage of heiCO systems during migration

(<https://heico.uni-heidelberg.de>)

- ✓ Usable until May 20th, 2024, 9 p.m. (reading and writing access).
- ⊖ Maintenance mode: **Not usable/accessible** from May 21st to May 31st. This means **it is not possible** to print proofs/certificates or a Transcript of Records from heiCO, or to register for courses or exams in heiCO. LSF remains the leading system for most students.

Potentially, it might be helpful to **download a transcript of records before May 21st**. Your department will inform you about this separately. In any case, the former system will be preserved as an archive.

**Alternative system**

(<https://schul.heico.uni-heidelberg.de/>)

- ✓ Reading access from **May 21st, 2024**.
- ⚠ Only accessible from the university network (LAN), via the university's eduroam, or [VPN](#).
- ✓ It is possible to print proofs/certificates or a Transcript of Records from heiCO.
- ⊖ **Registrations for courses or exams in this system should be discussed with your department.**
