

Graduation Completion Grant for International Students

The Graduation Completion Grant for International Students is designed to assist students in completing their studies by providing financial support.

You should consider applying for the grant if you are in the final phase of your studies (last or penultimate semester)

- facing unexpected, short-term financial difficulties, and unable to receive support from other sources and / or
- need to reduce your weekly working hours in order to focus on your degree (provided you are self-financed).

The application period for the summer semester 2025 is from 1 January 2025 until 02. February 2025 at the latest.

The grant typically provides monthly payments of approximately 300-400 Euros for the duration of the semester.
